

MANUSCRIPT SUBMISSION GUIDELINES

The manuscript (in Slovenian or English) should not exceed 35,000 characters without spaces, including references and abstract (in Slovenian and English) and should contain:

- the author's first and last name, affiliation and e-mail address,
- title of the paper in Slovene (maximum 14 words),
- abstract in Slovene (up to 150 words),
- keywords in Slovene (up to 5),
- title of the paper in English (maximum 14 words),
- abstract in English (150 words),
- keywords in English (5).

Follow these instructions for the preparation of the manuscript:

1. Submit your manuscript as a Microsoft Word document. Calibri light, size 12, line spacing 1.5. Do not format the text.
2. Quotations of 5 lines or more should be indented to the right with an empty line above the quotation.
3. Use a three-level headline structure. Do not write the title in capital letters. The title of the paper should be in bold and centred, second level titles should be in bold and aligned to the left and third level titles should be in bold, in italics and aligned to the left.
4. Do NOT number the titles and pages.
5. Use footnotes.

6. Enclose images (photographs, maps etc.) in separate files as jpg or tiff files, in high resolution (image width should be at least 1,500 pixels) and insert the title of the image in the text (e.g.: Image 1: Two-branch determination key) together with the source if necessary (e.g.: Brumen et al. 2004, 21.). For images acquired from other publications, the author should acquire a written permission by the image copyright owner and enclose it to the manuscript.

7. Enclose graphs in separate files in the xlsx format or similar and insert the graph in the text (e.g.: Image 2: Number of students by grades) together with the source if required (e.g.: Svizec 2007, 27.). It is also mandatory that the files include tables with data.

8. Insert tables in the text, with a title above the table (e.g. Table 1: Descriptive statistics), the source should be stated under the table if required (e.g. Muren 2016, 12)

Citing examples

When citing literature use the author-year system and The Chicago Manual of Style (University of Chicago Press 2010) but use the author's first names initials rather than full names. The bibliography should include all references and only those cited in the text.
