

GUIDELINES FOR THE EDITING OF ARTICLES FOR THE SCIENTIFIC MONOGRAPH EDUCATION FOR THE 21ST CENTURY – CREATIVITY IN EDUCATION

The monograph will be a collection of contributions by the authors participating in the 10th International Scientific Meeting, 10 and 11 April 2014 in Koper.

We wish to inform all attending authors the deadline for the submission of **proofread** contributions is **10 October 2013**.

The entire size of the contribution should not exceed 1 press sheet (16 pages) and must include:

- Author's first name, last name, the institution of affiliation, e-mail address;
- The title of the contribution (in English);
- The body of the text;
- Abstract in English (250 to 300 words);
- Keywords in English (maximum 5);
- References and literature as shown in examples;

We kindly ask the authors not to format the text (break pages ...), to mail the contribution in a Word document and to also attach pictures in a version for print (.jpg, .tiff, etc.).
